

Opoutere eleganus Working Bee's Check List

Below is what is required and what would be nice to help out at our up incoming working bee's
Eleganus has sharp thorns and its very tough to destroy

Items you must have

Safety Glasses
Gardening Gloves (Leather preferred)
Shoes or Boots

What is nice but not so important

Ear Muffs
Overalls
Dust Masks
Arm protection to protect arms from scratches and like
Long Trousers
Food and Drink

Tools if you have don't worry if you haven't we have some spares

Tree Loppers
Garden Hand Saws
Chain Saws
Brush Cutters
Secateurs

If you are brining powered tools don't forget the chain oil and fuel, as you will use the gas and most chainsaws only have small tanks.
